## DEMONSTRATION RECORDING SESSION IMAGE FEE - RIDER

This Rider amends the Demonstration Agreement (RP No. \_\_\_\_\_ ) entered into by and between Employer and AFM Local 47 in connection with the Demonstration Recording Session scheduled to occur on \_\_\_\_\_.

In the event that a demo session is also recorded on video, whether for archival use only or as part of an Electronic Press Kit (EPK), an additional 25% of pensionable wages will be paid to all musicians, including arrangers, orchestrators and copyists. All payments will be subject to applicable AFM pension contributions on scale wages. The use of such video is limited to no more than two minutes and no complete songs can be used or offered for sale without additional payment required by the applicable AFM Agreement; e.g. the SRLA traditional music video payment requirements.
